

ACTIONS SPEAK LOUDER THAN BIRDS!

Please avoid winter bird roosts – especially at night and at high tide

We need to share the beach with these birds – it's their home too!

HOW YOU CAN HELP

- ⊘ Observe signs about the roosts
- ⊘ Please keep your dogs on a lead near resting birds
- ⊘ Avoid going near, chasing or putting the birds to flight

Thank you for your cooperation

working with people
for coastal wildlife

You can find more information about reducing your impact on coastal wildlife within the Thanet Coastal Codes, produced with the help of local people. These are available from visitor centres and libraries or can be viewed at www.thanetcoast.org.uk
