Thanet Coast Project is sponsored by Natural England, Kent County Council & Thanet Council. 'Footprints in the Sand' run with support from Big Lottery Fund. Rock Doc & Geology Rocks with support from Dong Energy. Beach Cleans with support from Cummins Power Generation.

LOTTERY FUNDED

# Please follow the Thanet Coastal Codes

Local people have helped draw up voluntary codes to help safeguard coastal wildlife, while allowing people to enjoy their activities:

**Respect Coastal wildlife**

**Consider other users**

**Stay safe on the beach**

**Be environmentally friendly**

See [www.thanetcoast.org.uk](http://www.thanetcoast.org.uk) for codes on the seashore, bait digging, shellfish harvesting, dog walking, horse riding, field trips, shore angling, power-craft and wind-powered activities.

**Tread carefully on the chalky shore - it's my home!**

**Take photos, and not my mates, home!**

**Avoid scaring my coastal feathered friends - they need rest at high tide!**

**Please take your rubbish home with you or use the bin provided!**

## Water Safety in Thanet

- Spot the dangers
- Take safety advice
- Don't go alone
- Learn how to help

The Water Safety in Thanet video can be viewed online at [www.thanetcoast.org.uk](http://www.thanetcoast.org.uk)

The North East Kent coast is one of the best sites in Europe for wintering birds and marine life of the chalk caves, reef and sandy bays.
