

'Coastal Change - Climate Change' exhibition

Tue 11 August to Sun 6 Sept, 10am to 5pm

Visitor Information Centre - Drum Room, Droit House, Margate CT9 1JD

A free exhibition exploring historic photos and recent images from our ever-changing coastline. This exhibition also highlights man-made and recent tidal & weather extremes. It has been organised by the Thanet Coast Project with help from volunteers, and links up with the Coastal Communities and Climate Change Project (CC2150).
