

Let's find out about a

Velvet Swimming Crab

Where do I live?

Under rocks, boulders, seaweeds
and in crevices on the lower shore.

How old do I get?

I can live between 6 – 10 years.

What do I eat?

Anything I can find including
small fish, barnacles, and crabs
smaller than me.

What will try and eat me?

Sea birds and large fish.

How big will I get?

I can grow up to
8cm across.

Fun Facts

I am also known as the Devil Crab
because of my red eyes.
